Court Gives Raises, Thanks 'Busters'

County employees and elected officials received an almost across the board six per cent raise in salary as a result of action Monday by Randall County Commsisioners.

The raises excluded Randall County Judge Carroll Brown, Dist. Atty. George Dowlen and Sheriff Slim Johnston, all of whom have salaries which are presently at the legal maximum as set by state statutes.

The commissioners decided to raise salaries during an executive session Monday, but during their regular meeting they formally recognized various law enforcement officers and private citizens who had a hand in the recent mass drug bust in Amarillo.

They also decided to take firm action on helping the City of Canyon solve their dump ground problems.

Judge Brown said following the executive session the salary increases averaged about six per cent, but that Mike Hinton, assistant district attorney, received the largest raise.

Formerly Hinton was earning $605 per month. He received a raise to $700 per month.

Brown said the top women in Dowlen's office, his office the county clerk's office and district clerk's office also received raises of more than six per cent.

Salaries of the county commissioners themselves were not raised. They make $440 per month.

Other salaries were increased as follows:

W. A. Wilson, justice of the peace, to $7,800; W. W. Hancock, justice of the peace, to $7,320; Ruth Hall, treasurer, to $7,320; Mavis Hill, district clerk, to $8,580; Leroy Hutton, county clerk, to $8,580; and Audrey Bruse, tax assessor-collector, to $8,580.

The commissioners unanimously passed a resolution expressing their appreciation to:

Mrs. Carolyn Carrlson, 23-year-old housewife who worked undercover to expose the Amarillo drug users.

Wiley Alexander, chief of police in Amarillo.

Joe Bowes, Dave Griffin, Don Smith and Bert Keith, Amarillo Police Department detectives.

George Dowlen, Mike Hinton and Kaye Moss of the Randall County District Attorney's office.

L. S. "Slim" Johnston, Randall County Sheriff.

Tom Curtis, Potter County district attorney.

Robert Ashworth, J. E. Fergason, Lewis Martin and Miss Jane Williams of the Amarillo Independent School District.

The commissioners agreed to meet with city officials this week to work out a solution to the dump ground problem after learning that County Health Officer Dr. Dudley Moore had said he will resign his post unless the dump problem is solved.

"Dr. Moore called a while ago about the dump ground and said he'd been out there this morning," Brown told the commissioners. "He said there were dead dogs and sheep in the road and it was in very bad condition. He said he felt so strongly about the situation that the county should do something and if we didn't feel like we could he wanted to resign as health officer."

"I don't blame him," said Commissioner Bill Butler.

The commissioners discussed several possible solutions---hiring of an around-the-clock watchman, hiring of an extra deputy to closely patrol the road and closing of the road itself.

Commissioners Glenn Dowlen and Clarence Beckman were appointed to meet with city officials to work out a solution.

In other business, the commission heard a presentation by Ralph Gordon, representative of Steck Company, concerning the computerization of the county tax rolls.

He said the service would cost between 17 cents and 20 cents per valuation depending on the month in which the tax office turned over records for computerization.

Mrs. Bruse was instructed to compare Steck's prices and services with those of other companies to determine the best method.

Managers Scratching Heads Over How Of Early Payments

A recent announcement from the U. S. Department of Agriculture stating that farmers could expect total feed grain payments as soon as possible after July 1 has left area Agriculture Stabilization and Conservation Service managers wondering how it will be implemented.

Although the announcement pleasantly offset a previous USDA edict that diversion payments would be cut and advance diversion payment discontinued, farmers may end up receiving their money closer to September than July, unless they are willing to "gamble."

The main hitch in early payment, according to Donald F. Lloyd, Randall County ASCS office manager, is that in the past the farmer could not be paid until the ASCS office received his certified acreage report with designated diverted acreage.

Because the farmer cannot certiy his acreage until he is finished seeding, certifying early enough to be paid anywhere near July 1 may force him to take a financial gamble.

"When a man files his acreage report he has no opportunity to adjust it afterward," Lloyd said. "In the past, if he was growing two commodities, such as wheat and grain, he could wait and be paid the diversion on the commodity with the highest rate, based on the crop that was underplanted."

Lloyd said the farmer "could wait as long as possible to see how his grain sorghum looks, then adjust if necessary to increase his diversion payments."

Although irrigation farmers normally know how their crops will fare after they plant, Lloyd said dry land farmers often need to wait as long as possible before certifying their acres.

"By July 1 he doesn't know how many acres he is going to leave," Lloyd said. "Sometimes a man will plant a few more acres than he knows he can keep, then keeps his best acres and plows up the worst."

Certifying acreage that early in the summer would also force the farmer to give up one of his last remaining hedges, the use of a short maturing crop.

The Hegari variety matures in about 90 days, and in the past farmers have planted it as late as July 25 although this is not considered a good practice.

"A man can plant it with the intention of making a grain crop," Lloyd said. "If he doesn't get enough moisture he can always bale it for his own feed. If he doesn't even get that much he can run cattle in and graze it."

Of the 1,200 landowners and operators in Randall County, Lloyd said that at any given time about 50 per cent would be involved in dry-land farming operations and be working with many variables before certifying acreage.

"In a normal year 30 per cent of the area farmers report their acreage within a week of the August 15 deadline," he said.

Lloyd and J. D. Breitling, ASCS office manager in Amarillo, stressed that the USDA has not released information concerning how the payments could be made near July 1, and that a workable plan may be forthcoming.

If a plan is not forthcoming, the situation will revert to "the sooner the farmer certifies his acreage the sooner he can be paid."

Breitling said that if payments are made before the reporting date it will be "either on an estimate basis or an advanced basis or a one-half to two-thirds basis."

Two statements in the USDA press release announcing the July 1 payment schedule leave observers with the impresion the entire announcement may be just so much govern-

Only 16,000 Registered; Mrs. Bruse Still Optimistic

More than 16,000 persons had registered to vote through Tuesday in Randall County and County Tax Assessor-Collector Mrs. Audrey Bruse is still optimistic that registrations will surpass the 23,000 mark.

A group from the League of Women Voters will be at Gibson's Discount Center from 3-5 p.m. through this week to extend voter registration aid.

On Jan. 24, 1969, Mrs. Bruse said 8,653 persons had registered and yet the year ended with a total of 19,339.

"We're ahead of last year's," she said. "Most will wait until the last minute."

The last minute for registering is midnight Saturday.

"What breaks my heart is that people wait too long and if their letter is postmarked Feb. 1, I can't accept it," Mrs. Bruse said. "What some of them don't realize is that they don't fill out the application properly."

She pointed out that a common error is that some registrants forget to sign the form.

Mrs. Bruse said she ordered 26,000 registration certificates based on projections of last elections and voter registrations.

She said she anticipates a great number of registrants this year because "there's been growth in the county."

She said that during the Presidential elecion year of 1968, 22,600 persons registered to vote.

"We've had considerable growth since then and we'll have some good issues developing in the elections this year."

23 Enter Pageant

Twenty-three beauties have signed for the Miss Canyon beauty pageant to be held February 28 at the Canyon High School auditorium.

Thus far thirty merchants and sponsoring groups have paid registration fees for beauty contestants. Several are still waiting to select their representative for the pageant.

According to Mrs. Durwood Henderson, pageant chairman, about 40 are expected to be entered in the pageant by the deadline which is February 14.

All girls, age 16-21, are eligible to enter the pageant with a civic organization, business firm or campus organization as sponsor. All sponsoring registration fees are due with the sponsoring Canyon Study Club by February 14.

Firms and contestants interested in the pageant may obtain information on entries from either Mrs. Durwood Henderson, Mrs. Walter Cranmer or Mrs. Don Vars of the CSC.

Out-of-town judges will select the winner in a public revue on Saturday evening, February 28.

Chamber To Participate In Area Billboard Project

Canyon will again this year participate in the Land of Coronado billboard program, which is to cost $650 and which will spread 60 billboards proclaiming assets of the Panhandle to tourists on major area highways.

Directors of the Canyon Chamber of Commerce, after hearing a slide presentation of this year's program, agreed to pay the $650.

The Canyon Chamber has participated in the program since the billboards were first placed on highways three years ago.

The billboards will have interchangeable panels, each panel telling of an attraction in the Panhandle.

It was noted at the Monday night meeting that 35 per cent of the 60 billboards will depict attractions in and around Canyon.

Such attractions as the Panhandle-Plains Historical Museum, Palo Duro Canyon State Park and the musical drama "TEXAS," will be featured on the billboards.

Money for the program will be raised by the Chamber's tourist committee through local contributions.

The board also voted to charge $3.50 per ticket for those wishing to attend the annual Chamber of Commerce banquet March 18.

This year's banquet will feature Lt. Gov. Ben Barnes as guest speaker and will honor the 1969 Man of the Year and the Citizen of the Year for the 1960s.

The banquet will be at 8 p.m. in the West Texas State University east cafeteria. Sirloin steaks will be served.

The board changed their meeting dates from the fourth Monday of each month to the first Monday of each month.

New Chamber President Eddie Knowles initiated discussion on the possibility of sponsoring a Tulia magician for a night performance in Canyon, with profits going to the Chamber.

He said the magicians could perform in March or April and he was instructed to find out specific dates and times.

In other action, the following were appointed to committees:

Bernard Warren, agriculture; Eddie Knowles, membership and finance; Dean House, banquet; Dr. C. C. Callarman, education; and Jim Christopher, sports.

Kerbel Elated Over Choice

Thomas Drafted By Dallas

Duane Thomas, third leading ball carrier in West Texas State University's history, became the highest professional football draft choice in the school's history Tuesday when he was drafted by the Dallas Cowboys in the first round of the pro football draft.

Thomas was the Cowboy's first pick. The Dallas club reportedly traded a fullback for a first-round chance at Thomas.

The WTSU player was a fullback under Coach Joe Kerbel during his collegiate career.

Cowboy player personnel director Gil Brandt told newsmen prior to the start of the 1969 season that Thomas was the best running back in the nation in collegiate football.

Brandt called Thomas about 11:15 a.m. Tuesday to tell him he had been drafted.

Thomas, a native of Dallas, was elated by the news.

"There's no place like home," he said. "I'm surprised and happy about the whole situation.

"I think Coach Kerbel is just as happy as I am as if he's been drafted."

Thomas said it has been his ambition to play professional football and that he is optimistic about playing for Dallas.

Kerbel was indeed happy Tuesday.

"I think it's a combination of a great opportunity for Duane and a great thing for West Texas State--not just for football but for the entire athletic program.

"I was especially thrilled that he is going to have a chance to play in our locale and he is in his hometown."

Kerbel said "it's a great

Five In Running For Offices

A Canyon physician, Dr. J. Manly Bryan, filed Wednesday as a candidate for mayor of Canyon to become the second city mayoral hopeful.

Dr. Bryan, a local resident since 1957, will run against Bernard Warren, local businessman. Mayor Paul Lindsey has said he will not seek re-election.

"We have just completed the decade of the '60's, in which the community has grown and prospered," Dr. Bryan said. "I am happy that I couid be a part of this, and I hope that any part I

Amarillo attorney Jack Hazlewood announced Tuesday he will be a candidate for the Texas Senate representing the 31st Senatorial District.

Grady Hazlewood announced recently he will not seek re-election to the seat.

An Amarillo native, Hazlewood is cousin of the retiring senator.

"Your future and mine and the future of our children and loved ones in the Panhandle is of paramount concern to me," Hazlewood said. "Therefore, I have decided to seek the

J. M. "Jerry" Kolander, an Amarillo attorney and civic leader for the past 20 years, has announced his candidacy for judge of the 181st Judicial District.

Kolander is running on the Democratic ticket and will be opposed in the Democratic primary by Don Dean, who was appointed to the newly-created court last fall.

Randall County Judge Carroll Brown is seeking the office on the Republican ticket.

The 181st District Court was created by legislative action in the last session of

Woody Pond, Randall County's juvenile probation officer, announced Tuesday he will seek election as County Judge pending the May 2 Democratic Primary.

Joseph Schely of Amarillo has also filed for the office, which is to be vacated by Judge Carroll Brown, who will seek election as judge of the 181st District Court.

"In filing, I fully realize the responsibilities of this office and will carry them out to the best of may ability if and when elected your county judge," Pond said.

He feels his experience with

The latest Republican to hit the campaign trail has announced she will be a candidate for Randall County Treasurer and "use my training for an efficient operation of the office."

Mrs. Margaret D. Trautmann, a Randall County deputy tax assessor-collector at the Annex in South Amarillo said "I think the office of county treasurer requires a complete business background, but it also deserves someone who is interested in the area of finance."

Mrs. Trautmann received a degree in business administration in 1945 from the College of New Rochelle in New York. A native of Cincinnati, she married her husband, Alvin, there in 1945, moving to Amarillo in 1957

FROM THE CANYON RIM

Jerry Kolander announced for district Judge, 181st Judicial District, Wednesday morning.

This column and this newspaper is proud to endorse his candidacy. Jerry is well qualified from a standpoint of formal education and experience.

He is an attorney who served the people of Potter County well as county attorney for two terms. His experience on the bench includes four years as judge of the Potter County Court of Domestic Relations. I think this is experience that would be of invaluable benefit to a district judge.

On top of his experience, Jerry has given selflessly of himself to his church, community, state and country.

It is for these reasons that I endorse him as a prospective judge for the 181st Judicial District.

This year promises to be one of the busiest political years since 1964.

The two-party system definitely has come to Randall County.

Almost every county race this year will have Republican and Democrat candidates.

City officials report no new foundations in Canyon this month.

This is an indication of the predicament the city finds itself in. Housing is becoming shorter and the number of building starts fewer.

Tight money and inflation is taking its toll on the growth of our city. Apparently there is no end in sight.

The President is, I am convinced, doing his best to curb inflation and he is getting very little help. Hardly had the echoes of his veto speech died away than his critics were on television tearing him apart.

It's the same old story. Everybody wants inflation controlled but they don't want to lose a part of their own slice of pie.

I think the Nixon veto of the education and labor appropriation bill took courage. It always takes courage to say no to popular spending.

But as the President warned, we can spend ourselves poor.

If Ralph Yarbrough wins this time I'm going to say that he will be in the Senate the rest of his life and that may be a long time (His family has a history of longevity).

Yarbrough is up against two Houston millionaires and he can't take them both on in the primary and have done with it.

Lloyd Bentsen Jr., is clashing with Yarbrough in the May primary. Bentsen promises to run a well-heeled campaign and we'll be hearing a lot more from him in the next three months.

In the meantime, Republican George Bush is running unopposed on the Republican ticket. He can lie back and rest during the expensive Democratic primary.

Then he too, will be in position to run a well-financed campaign in the fall.

With a boost given an agricultural school and a nursing program at West Texas State University, we can already begin to see the good we're going to derive from a separate board of regents.

The board last Friday authorized Dr. James P. Cornette to study the establishment of a school of agriculture and to re-open negotiations with the Texas Coordinating Board on establishment of a baccalaureate program for nurses on campus.

County Entries Makes Showing

Randall County entrants in the Swine Division of the Amarillo Stock Show made a respectable showing during the competition, but Lamb and Steer entrants did not fare as well.

Mike Trammell and Ricky Moldenhauer both earned 1st places in the Swine Division, with Bobby Ellis winning a 2nd and Neil James a 2nd and 3rd.

Mike Lehman, Mike Breitling and John Burrell all brought home 5th place ribbons in the event.

In the Lamb judging competition, Lynn Ward placed 7th, Bill Anderson 9th and Neil McCandless 10th. Rick Hales earned two 8th place awards in the Steer Division.

Marcus Phillips, ag-instructor at Canyon High School, said there were from 50 to 90 entrants in some of the divisions.

News Brief

The Canyon Police Department warned vandals this week that damaging a city-owned water meter is a misdemeanor offense punishable by a fine not to exceed $200.

The department said five meters at local residences have been broken.

Gordon Downing of the Church of Christ Bible Chair at West Texas State University presented a program concerning the center's work at the Wednesday evening service of the Central Church of Christ here.

CANYON BANDSMEN named to the all-state band were front, from left, Keith Zook, oboe, and Mike Raillard, bassoon. Back row, from left, are Sarah Beth Meyer, baritone, Teddi Crager, flute, and all-state alternate, Sharon Lumry, flute.

Bandsmen Named To All-State

Four Canyon students have been named to all-state band following area tryouts in Lubbock Saturday.

Those named to all-state band were Teddi Crager, flute: Keith Zook, oboe: Mike Raillard, bassoon: and Sarah Beth Meyer, baritone. Sharon Lumry was named alternate all-state band for flute.

Along with all-state choir selections, these students will be in Dallas during mid-February for the Texas Music Educator Association convention where all-state concerts will be held.

News Brief

Don Baird, who is with the music faculty at West Texas State University, was recently in Colorado for all-region band clinics.

Our World

BY ANN BROWN

There is a simple panacea for all our nation's ills (according to the politicians), and it is readily available: just a few more billions of the taxpayer's money.

Water and air pollution, poverty, inflation, racial discord, student rebellions, crime, drug abuse, over population, the housing shortage, decay of the inner cities--all the nation's problems can be solved with enough money. We just need another army of bureaucrats with free access to the public purse.

When did money become the cure for all evil? According to the Holy Scriptures, the love of money is the **root** of all evil, and those who covet it, err from the faith, and pierce themselves through with many sorrows (I Tim. 6:10). Could this be the cause of the current plight of America?

The proposed solution to the public transportation problem in New York City was the usual: Let the taxpayers pick up the tab. Some experts estimate that every dollar the traveling public could save through the subsidy would cost the taxpayers **seven** dollars!

Inasmuch as the traveling public are also taxpayers, it sounds like a losing proposition for everybody--except the bureaucrats who collect and administer the subsidy. It resembles our Bureau of Indian Affairs. The economic conditions of many of the Indians on the reservations are a National disgrace. Yet we are spending $1,200 per Indian per year to take care of them. That is twice what the taxpayer is allowed for his own dependents. If money from the public purse **could** cure our ills, by the time the bureaucrats administered it, the nation would be bankrupt. The people who survived the Depression are convinced that national bankruptcy is comparable to any of our current problems.

The advocates of money as the anwer have not yet revealed just how cash is supposed to cure our ills. Hire more men to combat crime? Our underpaid police are doing a splendid job already. They catch the criminals almost as fast as our overpaid courts can turn them loose. History has proven that the only detriment to crime is swift and certain punishment. We have the facilities for that now. Why don't we use them?

the county sheriff campaigned for judge on the grounds that the court was too lenient with criminals. He was elected, and has filled the jail. He defrays the increased costs with higher fines. That's the American way: Let every fellow pay his own bills. (Perhaps we should convert some more sheriffs into judges.)

Why should the taxpayers have to pay $10 billion to eliminate water pollution? Why not fine the people who pollute the water, and use the fines to clean it up ? The same method should also be adequate to control air pollution and several similar problems.

Surely everyone is aware that the only cure for poverty is production and conservation. If the idle poor were put to work, it would probably remove the majority of the criminals from the streets, increase the gross national product, and--most important--restore self respect to some 10 million Americans.

If more money in circulation is the answer, why did we have so few of our current troubles during the Depression? There was almost no money in circulation, so why did the poor not riot and rob then? The ones who could not find work for pay, usually busied themselves trying to grow a little food to sustain their families, but that was before our government assumed the task of feeding the world.

The inner cities are dying because every time a building is vacated, idle vandals rush in and destroy it. Then they scream for the nation's workers to build new houses for them.

They cry for "decent" housing arouses very little sympathy in the hearts of the pioneers who lived in one-room sod shanties or dugouts with no plumbing or electricity, and whose only source of heat was prairie coal. Their concept of luxury was glass windows and wooden floors.

Americans have always solved their problems through integrity, ingenuity and hard work--undergirded with faith in God. Why discard an inexpensive, proven remedy for an expensive, theoretical one?

New Mexico Hits Buffaloes, 88-65

New Mexico State's Aggies, billed as the fifth ranked team in the nation, proved Tuesday night they deserve the reputation.

The Aggies, sporting a couple of players of the 6-9, 6-8, variety, whomped the West Texas State University Buffaloes 88-65 before an Amarillo crowd of about 1,800.

The Buffs were cold during the game. They were overpowered by the size and marksmanship of the Aggies and they were harrassed through the night by a full-court press.

The press worked from the start to unnerve West Texas.

Eddie Fitzgerald, a 6-7 WT junior, was the shining light in the dark for the Buffaloes. But, one man alone couldn't defeat the Aggies.

Dale Blaut, usually a hot shooter from outside the key, was cold Tuesday night, as was little Ron Howle.

Gene Murdock broke his finger and had to leave the game during the opening minutes of the second half.

And James McCloud, who is usually the big man on the boards for West Texas, only pulled down two rebounds.

It was one of those hard-fought games where the pace never slows.

Fitzgerald ended up with 19 points to lead the Buffs in scoring. He made 18 of those points in the second half.

He also led the Buffs in rebounding, pulling down 22 from the boards.

Little David Cole had a good night for West Texas as he hit 14 points.

All-American Jimmy Collins led Aggie scoring with 22 points, followed by Jeff Smith, 6-8, with 15 points, Sam Lacey, 6-9, with 13 and Roy Neal, 6-5, with 11.

Lacey and Smith put the pressure on the Buffs as they towered under the basket and made the West Texans shoot from out of the circle.

Neal, Lacey, Smith and Collins paced Aggie rebounding with 11 and 10 each.

During the final three minutes of action Tuesday, the NMSU coach began pulling men from the bench, but a victory was too far removed for the Buffs to worry.

The Buffs hit 25 of 81 from the field for 30 per cent while NMSU hit 39 of 86 for 44 per cent. From the charity line, West Texas hit 15 of 21 for 71 per cent and New Mexico hit only 12 of 31 for 38 per cent.

The Aggies were well above their rebound average for the season by bringing down 64. They are averaging 55 per game.

Portland Next Foe For WT Buffaloes

After a defeat at the hands of Weber State Saturday night and New Mexico State Tuesday night, the West Texas State University Buffaloes look forward to meeting the University of Portland Pilots tonight in Washington.

Portland is currently 2-12 for the season.

The Buffs may not look forward to meeting the Seattle University Chieftans Saturday night, though. The Chieftans have tromped Weber State at Ogden.

In action Saturday night, the Buffs were downed 75-68 by the Weber Wildcats.

Eddie Fitzgerald was high-point man for the Buffs with 22 points, followed by Dale Blaut with 21 and David Cole with nine.

The Buffs hit 28 of 74 from the field for a 37 per cent and 12 of 15 from the charity line for 80 per cent.

Top rebounder was Fitzgerald with 18, followed by Gene Murdock with six.

The Wildcats hit 32 of 66 from the field for 48 per cent and 11 of 23 from the free throw line for 47 per cent.

Weber high-point man was Willie Sojourner with 23 points.

For tonight, Portland will field four men more than six feet tall and one man who is 5-10.

Milton Adams, 6-4, is high-scorer for the Pilots with a 13.2 points-per-game average. He is a transfer from the University of Albuquerque. Stan Talley, 6-2, is averaging 12.3 per game for the Pilots.

Rick Elkrem, 6-6, hits at a 9.0 points-per-game clip, Dave Pennington, 6-6, is averaging 8.7, and Rick Earl, 5-10, is hitting at 8.4.

Adams is the leading Portland rebounder with 9.1 per game average.

Top Seattle returning letterman this season was Tom Little, 6-0, who hit at a 22.0 average last season. Lou West, 6-3, hit 16.9 last season and returns this year to the line-up.

Following the Washington road trip, the Buffs return to Texas to meet the University of Texas at Arlington on Feb. 2 in Arlington.

CITATION BY PUBLICATION

THE STATE OF TEXAS
TO: WILLIAM BENSON WILSON, Defendant, GREETING:

You are hereby commanded to appear before the Honorable Forty-Seventh Judicial District Court in and for Randall County, Texas, at the Court House thereof, in Canyon, Texas, at or before 10 o'clock A.M. of the first Monday next after the expiration of forty-two days from the date of the issuance of this citation, same being the 9th day of March, 1970, then and there to answer by filing a written answer to the Plaintiff's Petition filed in said Court, on the 13th day of May, 1969, in this cause, numbered 9459, on the docket of said Court and styled IN RE THE ADOPTION OF WILLIAM BRENT WILSON AND RHONDA LeANN WILSON.

A brief statement of the nature of this suit is as follows, to-wit:

Petition by Robert Preston Mann, not joined herein by his wife, Marilyn Ann Mann, for the reason that she is the natural mother of the children sought to be adopted, for the adoption of William Brent Wilson and Rhonda LeAnn Wilson, minor children. Petition alleges that the consent for this adoption by William Benson Wilson, the natural father of William Brent Wilson and Rhonda LeAnn Wilson, is not necessary because the said William Benson Wilson has voluntarily abandoned and deserted such children for a period of more than two years and has left such children in the care, custody, control and management of the Pettioner and his wife, as is more fully shown by Plaintiff's Petition on file in this suit.

The officer executing this process shall promptly execute the same according to law, and make due return as the law directs.

Issued and given under my hand and the seal of said Court at office in Canyon, Texas, this the 21st day of January, A. D. 1970.

Attest:
Mavis Hill Clerk 47th Judicial District Court in and for Randall County, Texas By Nat Nalley Deputy

thing for WT to have a man from our area--it's been my dream that I could have someone play for the Dallas Cowboys."

In three years at WTSU, Thomas has carried the ball 396 times for a total of 2,376 yards--an average of six yards per carry.

Thomas gained nearly half those yards this past season by racking up 1,072 and averaging 5.6 yards per carry.

He is the 11th leading ground gainer in the school's history.

Thomas' seasons haven't been all good, though.

He broke his ankle during the New Mexico State game during his sophomore year and didn't play again that season.

But, he rebounded for an outstanding junior season.

Thomas earned three football and two track letters at Lincoln High School in Dallas. He was named to the all-city, all-district and all-state football teams in high school.

the legislature. It handles both civil and criminal cases for Randall and Potter Counties.

Kolander came to Amarillo as a newspaperman in the late 1940s and worked as a sportswriter.

He then switched to news and covered Potter County court house for The Globe. A little later he took his state bar examination and was appointed assistant Potter County attorney.

He served in that capacity from 1950 to 1952 when he was elected Potter County attorney, an office he held until 1956. Leaving the county attorney's office, he served as judge of the Potter County Court of Domestic Relations from 1956 until 1960.

He has been in private law practice since 1960.

"I feel the experience I gained as a defense counsel, prosecuting attorney, and judge qualifies me for the important post of District Judge, and would appreciate support from the voters of both counties in my bid for election," said Kolander.

He has been active in civic affairs in Amarillo for many years and is presently serving as president of the Potter-Randall Citizens Committee.

Kolander has served on the board of directors for the United Fund, the Children's Psychiatric Center and Big Brothers of Amarillo. He is a newly elected director of the Amarillo American Business Club.

Kolander is president-elect of the Amarillo Bar Association and is a past vice-chairman of the Family Law Section of the Texas State Bar Association.

He served a three-year term as a member of the Texas Youth Council which administers the state's correctional institutions for delinquent children.

The attorney is a captain in the U. S. Navy Reserve, a member of the Veterans of Foreign Wars, and the American Legion. He has served as Commander of the Amarillo Hanson Post 54 of the American Legion. Kolander was on active duty with the U. S. Navy from 1943 to 1946, and is a board member of the Navy League and of the U. S. Naval Reserve Officers Association.

In 1967, Kolander was appointed chairman of the Amarillo Citizens Committee on Crime and Delinquency, a steering committee formed to study and recommend effective local means of combating and controlling crime on local levels. The committee was affiliated with the National Council on Crime and Delinquency.

Kolander received his Bachelor of Laws degree and a Bachelor of Arts degree in journalism from the University of Minnesota.

He and his wife Paula have lived in Amarillo for 21 years and have three children: Jerry, a sophomore law student at Texas Technological University; Kathy Lee, a sophomore music student at Texas Tech; and Judith Ann, a junior student at Tascosa High School. The family home is at 4318 Charles in Amarillo.

Mr. and Mrs. Kolander are members of Trinity Lutheran Church in Amarillo in which he serves as vice-chairman of the congregation.

had working with the Chamber of Commerce, Planning Commission, various community committees and one term on the City Commission has played some part in this progress."

"I do not think we can stop now, however, with an enlarging community, as well as an enlarging university, we must meet the challenge of the '70s. Canyon, now known as the 'Can-Do' city, is going places. I would like to have a part in helping this happen."

A native of Clarendon, Dr. Bryan is a 1946 graduate of Clarendon High School. He attended Clarendon Junior College one year and received his B. A. degree in 1949 from the University of Colorado.

He received his medical degree in 1954 from the University of Texas medical branch in Galveston.

Following an internship of one year a Denver General Hospital, he entered the U. S. Public Health Service at Bethesda, Md.

He came to Canyon in 1957 and established his practice here.

Dr. Bryan served one term on the City Commission from 1966-68. He is a past president and member of the Chamber of Commerce board of directors, a member of the Planning Commission since 1968 and a member of the Canyon Industrial Foundation Board of directors.

He is chairman of the Amarillo Bi-City-County Board of Health, and is city health officer.

Currently, Dr. Bryan is helping other residents form a Friends for the Fine Arts, as organization to promote the fine arts of West Texas State University.

He was a member of the city-school tax study committee and is a director of West Texas State Bank. He is an elder in the First Presbyterian Church of Canyon.

In addition, Dr. Bryan is a member of numerous professional organizations.

He and his wife, Jo, have two children, Jay, 16, and Denny, 14.

juveniles will aid him if elected to the post.

"Since the county judge acts as Judge of the Juvenile Court, I think this is one of the most important segments of this office and one which concerns me very much," he said.

Pond was county judge of Roberts County for two terms beginning in 1948.

Following that, he joined the Texas Parks and Wildlife Commission as a conservation officer and Regional Conservation Supervisor for law enforcement for 11 years. He served 90 western Texas counties in that capacity.

He has been juvenile probation officer here since March of 1967.

A native of Falls County, Texas, Pond moved to the Panhandle when he was 7-years old and attended schools in Wheeler and Roberts counties.

He also attended Texas A&M and served during World War II.

He is a director in the United Peach Officers' Association of America and has been active in his support of Boys Ranch and Girlstown, U. S. A.

Pond is a member and past master of Masonic Lodge No. 805, the Scottish Rite Temple in Dallas and is a member and secretary-recorder of the chapter and council in Canyon. He is a member of the Amarillo Commandery and member and past patron Order of the Eastern Star.

He is a member and past post commander of the American Legion. Currently he is a committee member of the Natural Resources and Task Force of the Panhandle Regional Planning Commission.

He is a member of the Calvary Baptist Church in Canyon.

mental verbage.

Buried quietly in the next to last paragraph is the sentence "Acceleration of payments will also depend on somewhat earlier certification of compliance by those producers who, in the past, have waited until July 1 or later to certify."

The second statement is even less optimistic. "The early payment operation will be consistent with good program administration and will be subject to appropriate Congressional funding."

Whether the USDA has intituted a bookkeeping procedure to move advance diversion payments to a new fiscal year remains to be seen. At best the plan for total payment near July 1 is shaky.

nomination of the Democratic Party for the office of Senator of the 31st Senatorial District in the May primary."

The aspirant said five issues will face the legislature in the '70s.

"First and foremost, ways and means must be found to make punishment for crime more effective and certain. I pledge untiring efforts in the cause of criminal law reform.

"Second, the Panhandle needs diversification of its economy. It needs more industry and an increasingly more solid base of economic support for its people. The state government can serve in an active and positive way in this area.

"Third, Texas should have the finest school system in the nation.

"Fourth, there will always be the battle over taxes. Taxes should be fairly and evenly borne by the people and no one segment of the economy or the population should be singled out to bear a disproportionate share of the tax load.

"Finally, I suggest that the most effective representation for people in this area will come from a man who makes it his business to be concerned and interested in the problems of Texans everywhere. . ."

A 1945 graduate of Amarillo High School, Hazlewood graduated from the University of Texas in 1949 and the University of Texas School of Law in 1952.

He is immediate past president of the Amarillo Bar Association and has served as secretary-treasurer and director of Amarillo Legal Aid, Inc., which provided legal aid for needy persons.

He is also a member of numerous professional organizations.

He and his wife, Mary, have three children, Richard, 16, David, 14, and Anne-Marie, 5. They live at 2601 Henning in Amarillo.

Mrs. Wilson Will Serve At TMEA Meetings

Donna Wilson, music teacher at Rex Reeves Elementary School, has been announced as recorder and panelist for the upcoming Texas Music Educator's Association convention to be held in Dallas, February 12-14.

Mrs. Wilson will be a panelist discussing "music teacher education at the college-university level with reference to elementary and secondary music curriculum."

All-state band and choir students from Canyon will also attend the TMEA meeting along with several other music teachers from the local schools.

News Brief

Teddi Crager was named president for the junior high level of the Methodist Youth Fellowship at a meeting last Sunday evening to serve for a six months period. Others elected with Teddi were David Word, vice president; Mary Kate Keeling, secretary; Royce Holladay, treasurer; Kay Chitwood, social chairman; and Stan Barnard, projects chairman.

Mrs. Rose Ellen Pearson and Mickey Yvonne Williamson of Canyon have received bachelor's degrees from the University of Texas at Austin.

They were two of 657 students receiving degrees Jan. 24.

Girls In Easy Win Over Tulia, 59-40

The girl Eagles rolled to a relatively easy 59-40 victory over Tulia Tuesday night to go 4-0 in district competition, but face two tough teams Saturday and next Tuesday.

Cam Davis picked up three fouls in the first quarter but remained in the game long enough to hit for 18 points in the game. Linda Lehman scored 17, Jan Sternenberg 10, Lynette Slack 11, and Judy Davis 3 to finish the scoring for the Eagles.

The fired-up girls hit for 81 per cent from the foul line and 46 per cent from the field to dominate their second successive game.

"This was one of our best efforts out of all the kids," said Coach Bob Schneider. "We had a real good defense and our offense is beginning to jell with better timing."

Cindy Jones grabbed 10 rebounds and Cheryl Davis 9 to control the boards, and Jenna Thompson did a spirited defensive job on Tulia's top scorer.

"Thompson covered their best shooter, who had 41 points last week, and held her to 10 points from the field," Schneider said.

The coach also praised Lynette Slack for "coming off the bench when Cam Davis picked up the three fouls in the first quarter and doing a real good job."

The girl Eagles are now 21-7 for the season and will clinch the district title if they win either of the remaining two district games.

They face Stinnett Saturday in the Canyon Gym and take on Spearman Tuesday.

"Spearman is still undefeated this year," Schneider said. "We beat them two out of three games last year but they beat us when they played us earlier this season."

Amarillo Grant Okayed

PRPC Funds On Way

The Panhandle Regional Planning Commission should have its $10,000 state grant in the near future, it was reported at a PRPC meeting Wednesday in Amarillo.

The office of Gov. Preston Smith has sent a contract to PRPC Chairman R. G. Mills for signing in regard to the state grant, which will finance initial planning efforts of the organization.

The commission granted approval to the City of Amarillo on a grant application for $561,151 to the Department of Housing and Urban Development. The grant if approved by HUD, will supply monies for sewer and water main projects from Amarillo to the proposed new air terminal facility east of the city.

Randall County Judge Carroll Brown, reporting for the PRPC water committee, moved for the approval on the basis of his committee's recommendation.

In other business, two representatives from the City of Pampa presented a request to the commission for permission to apply for a HUD grant totalling $625,000, to finance a water treatment plant to be located west of Pampa.

Pampa City Manager Charles Hill said the plant will treat water from Lake Meredith for use by city residents.

Hill said the City of Pampa would be able to pay about $786,000 toward the construction, but needs a grant for the remainder.

The request was sent to the water committee for consideration.

JVs Win Own Tourney; Dumas Wins Second

Apparently reasoning that as long as they were hosting it they might as well win it, the Eagles junior varsity squads captured both the girls and boy's crowns during the weekend junior varsity invitational tournament.

The jv boys took to the court Thursday to beat Friona, bounced past Boys Ranch Saturday morning and returned to beat the Hereford jv Saturday night for the tournament title.

The girls followed suit Thursday by beating the Happy "B team, Friday by dominating Dimmitt and Saturday by capturing the title from Friona.

The Dumas jv squad won consolation honors at the tournament while the Eagle sophomore girls picked up consolation honors in the girls bracket.

Coach B. B. Kendrick praised the results of the tournament, and indicated the Eagles could expect some help next year from the jv ranks.

"There are probably three, maybe four, boys that will really help us next year, he said. "We are going to have more depth next year.

The coach singled out forward Mike Podzemny and guard Bob Bullock for their play during the jv season.

"Willie Johnson could help us, Kendrick said. "He has been recuperating from knee surgery following the football season this year, but he should be back strong next year.

Dean Speaks On Rotary

Judge Don Dean was guest speaker at the Tuesday meeting of the Canyon Rotary Club, and provided members and guests a "fifth" suggestion for the Rotary 4-Way Test.

Dean, appointed by Gov. Preston Smith to preside in the newly created 181st District Court, stressed to the audience the importance of "responsibility."

"If you sit on the bench a week you begin to wonder if a jury wants to send anyone to the penitentiary," he said. "Everyone wants a beefsteak but nobody wants to hit the steer on the head."

Judge Dean said the public should not "expect public officials to do anything you are not willing to do yourself."

The jurist said the Rotary 4-Way Test (Is it the truth, is it fair, will it build goodwill-better friendships and will it be beneficial to all concerned?) provided directions for responsible living.

"If a man will use the 4-Way Test he will obviously be inner-directed and a man," Judge Dean said.

Dean used an ancient Chinese proverb, "May your children live in interesting times," to illustrate the breakdown in modern society.

"I can't think of a more interesting or turbulent time in which to live and conduct your business," he said. "But I am concerned that our land is becoming polarized between the white-blacks, young-old, city-rural, and have-have not."

Campfire Girls Council Meeting Involves Canyon Units

Special Honor was given to Leslie Bybee of Canyon at the Annual Adult Awards Meeting of the Amarillo Council of Camp Fire Girls held in Snodgrass Hall of the First Christian Church, Monday evening. And Mrs. I. J. Tow became the first Canyon woman to be appointed to the Board of Directors of the Councill.

The meeting was brought to order by the flag ceremony presented by a group of Junior Hi Camp Fire Girls, including Denise Jackson, daughter of Mr. and Mrs. Donald Jackson of Canyon. Pastor of the Westminister Presbyterian Church, Rev. Richard H. Thomas, a member of the Board, gave the invocation.

Camp Fire Girls were seated in groups at the meeting according to the number of boxes of candy they had sold during the recent sales campaign. Each group was designated with balloons tied to the back of their chairs with the number each sold, printed on the balloon. After the groups had been recognized, Leslie was presented with a corsage of white carnations with red and blue streamers, indicating the organization's colors. She was presented the award for selling 150 boxes of candy, more than any other girl in the council. Leslie is the daughter of Mr. and Mrs. Sam Bybee of Canyon. Eight other Canyon girls were among those recognized for selling more than 50 boxes each. Special awards, certificates, and charms were presented to the girls later in a private ceremonial.

Presiding at the meeting was outgoing president, president, Bill C. Moore, who gave a basic summary of the year's activities that the units had participated in and offered his appreciation for endeavors of the individual groups.

Presentation of awards was by John Barwin, vice-president. Awards went to adults, in the organization, who had provided outstanding service.

Larry Smith, a past president, conducted the installation ceremonies. The new board members pledged an oath to the duties and challenges that may arise during their tenure in office.

Camp Fire Girls recognized at the Annual Council Meeting in Amarillo Monday evening for selling 50 or more boxes of candy are back row, left to right, Karen Tow, Dana Tow, Denise Jackson, and Kathy Rogers. Center row, Shelle Whitehead, Kay Tow, and Traca Cooper. Front row, Tawanna Burdette and Leslie Bybee.

Eagles Win First Half With Win Over Hornets

A tough Canyon Eagles' varsity squad tangled with Tulia Tuesday night and rode home with a convincing 73-62 victory, clinching the first round title in district play and earning an automatic spot in the playoffs.

Coach B. B. Kendrick's hoopsters overcame a dismal first half to outscore Tulia by 9 field goals and shot two Eagles into the double figures.

Jerry Landrum pumped in 26 points and Bobby Martin 20 to lead the scoring parade. Keith Keeling had 16, Ronnie Hagar, 8, Lyn Salmon, 2, and Dorse Pennington, 1.

"It was one of the toughest district games we've played," Kendrick said, stating that "our defense won the ball game."

The Eagles were down three points just before the half, but sprinted to a quick 10 points within one minute to take the lead.

The varsity will tackle Perryton Friday night in their home gym, kicking off the second round of district competition. The Eagles stand 17-7 for the season.

Art Workshop For Teachers Underway Now At Rex Reeves

Fifty-five teachers from the Panhandle area are attending an Art Workshop this week from 4:00-9:30 p.m.

The workshop is being held at the Rex Reeves Elementary School in Canyon and began Tuesday evening. It concludes today, Thursday.

PESO-Education Service Center, Region XVI, Huelyn Laycock, Executive Director is sponsoring the workshop. Mrs. Hazel Strickland, PESO Consultant, is director of the workshop.

The workshop is a free educational service provided by Binney & Smith Inc., manufacturers of Crayola crayons and other school art supplies. The workshop will be conducted by Miss Pat Huddleston, who has taught extensively and holds a Master's degree from Texas Women's University.

The teachers will spend fifteen hours of their own time learning about modern creative art education and some of its materials and tools. They will learn by doing, rolling up their sleeves and trying out the techniques presented by Miss Huddleston.

These techniques will include some of the uses of crayons, water colors, poster paints, finger paints, colored chalks, and modeling clay. Simple craft techniques will also be shown, giving teachers an opportunity to work with paper, paste and other materials to gain three-dimensional effects. All of the Art Workshop activities will be experiences which the teachers can relate to their own classroonm teaching.

Kiwanis Host Ladies Meet

Ann Brown, counsellor and columnist, will speak Friday to the noon luncheon meeting of the Canyon Kiwanis Club.

The club will meet at 12 noon in the American Legion Hall and the meeting will be Kiwanis ladies day. Next week, February 6, the program for the club will involve the proposed budget for the city and will be given by Howard Northcutt, city manager.

Dorsey Plays Orphan Santa

Navy Fireman Robert A. Dorsey played Santa Claus for 25 orphans of the Yokosuka, Japan area during the holidays.

He is serving aboard the destroyer USS Leonard F. Mason. During the holidays the orphans were treated to ice cream and cake, cartoons and gifts donated by the crewmembers of the ship. The men of the Leonard F. Mason also donated heaters and games to the orphanage.

Dorsey is the son of Mr. and Mrs. J. W. Dorsey of Rt. 2, Canyon.

Baby Girl For The G. Hayes

Mr. and Mrs. Gerald B. Hayes have announced the birth of their new daughter, Sherri Michelle, born at St. Anthony's Hospital in Amarillo, January 9, 1970, at 5:56 p.m.

She weighed 6 pounds 12½ ounces and measured 19¾ inches in length at the time of her birth.

Mr. and Mrs. Hayes have another daughter, Tracy, who is two and one half years old.

Maternal grandparents are Mr. and Mrs. T. H. Oldham of Tucson, Arizona and the paternal grandparents are Mr. and Mrs. Dellis Russ of Panhandle, Texas.

Hayes is employed by Rains Plumbing Company of Canyon and Amarillo.

Dimes Total Reaches $867

A total of $867.06 was received for the March of Dimes in an organized effort by both the Canyon Study Club and the Heritage Woman's Club.

About 70 clubwomen were on the streets of Canyon Sunday and received $694.01 for their effort in the "mother's march."

Collected through school collection envelopes were $127.93 at Rex Reeves Elementary and $6.80 at Canyon Junior High School. Local merchants added $38.32 to the total collections.

News Brief

Jack Jennings was re-elected Fire Chief by members of Canyon's volunteer fire department recently.

Gerald Warwick was named first assistant and Robert Rogers was elected second assistant.

Marvin Fite was elected president, Curtis Lehnick vice president and Roland Black secretary-treasurer.

Funeral services for Earl Bradley, 77, of Dalhart were held January 19 in Dalhart. Mr. Bradley died January 16 at High Plains Baptist Hospital in Amarillo and was an uncle of Mrs. Clay Cooper of Canyon.

Death Claims Mrs. Conner

Mrs. B. H. Conner of Claude, a pioneer of Armstrong and Randall Counties, died in Northwest Texas Hospital at Amarillo January 3 following a short illness. The pioneer woman would have been 90 years old in February.

Mrs. Conner, widow of the late "Barney" Conner, came as a bride to Armstrong County in 1900. Most of her married life was spent in Armstrong County though the couple had extensive interests in Randall County, a part of which was a ranch west of Canyon which included the area which is now Buffalo Lake. The couple moved to the ranch headquarters in the mid-thirties and resided there until Mr. Conner's death in 1941.

Mrs. Conner is survived by one daughter, Mrs. George Wilmath of Clovis and four grandchildren, George C. Wilmeth of Anchorage, Alaska, Imogene Harris of Tulia, Joalene Hudson of Claude and Madison Wilmeth of Amarillo, ten great-grandchildren and one great-greatgrandchild. One son preceded her in death.

Burial and interment were at the First Methodist Church in Claude and Claude Cemetery, respectively. Memorials were given in form of contributions toward stained glass windows for her church.

Hufnagles Have Baby

Mr. and Mrs. Ronnie Hufnagle of Southland announce the January 17 birth of a son at Highland General Hospital in Lubbock.

The infant has been named Blaine Nicholas and weighed 7 pounds 1½ ounces at birth.

Grandparents are Mr. and Mrs. Blaine Hufnagle of Canyon and Mr. and Mrs. Charles Blasious of Nocona. Mrs. C. N. Plaster of Canyon is a greatgrandmother of the infant.

Newly elected members to the Board of Directors at the Canyon Country Club are from left to right, Don Holtzclaw, Wallie Cayton, and J. W. Malone. Also elected to the board but not present at the meeting was Dr. Robert Burton.

CCC Stockholders Name Four To Board

Items scheduled on the agenda for the Annual Stockholders Meeting at the Canyon Country Club brought out a respectable number of members to vote on the issues, Monday evening at the Club's ballroom.

Four new members were elected to serve on the Board of Directors. They were Dr. Robert Burton, Wallie Cayton, Don Holtzclaw, and J. W. Malone. Existing members on the board are Jack Haley, Don Sheffy, and Dr. William Cooper. Outgoing board members are Steve Self, Bruce Winn, Richard Pruitt, and Dean House.

Second item listed for consideration was the possibility of raising the dues. The motion passed and the dues were raised from $10 to $15 a month to satisfy the needs of the club and its improvement plan.

Outgoing president, Steve Self, conducted the meeting, secretary, Richard Pruitt, read the minutes of the last meeting, and Eddie Holcomb presented the annual treasurer's report and proposed budget for the year of 1970.

Self brought to the attention of those attending, that the financial possibility of the new watering system is the result of the sales of lots to the club members. Discussion and explanation of the conditions of the sales was made to new members not fully aware of the sales code of the club. Discussion was also held on the road improvements that had been made within the club and what will be necessary to maintain them.

Self noted that the two swimming pools have been repaired and are already in good shape in preparation for the coming summer months.

Due to the absence of Dr. Burton at the meeting, the new board did not meet and elect a president for the coming year.

Mr. and Mrs. A. K. Goodman entertained recently with an informal dinner for their daughter's family, Mr. and Mrs. Bryce Slack and four children, and for Mr. and Mrs. Alex Yeh and young son, Herbert. The Yehs are students from Taiwan in this country for studies at West Texas State University.

Welcome Wagon Sets Meet Dates

The executive committee for the Welcome Wagon Club of Canyon met in session Thursday night at the home of Mrs. Bob Winn and decided to conduct club meetings on the first Thursday of each month.

The regular monthly meetings will be alternated between afternoon and evening meetings. Unscheduled social meetings and other affairs will be conducted also. Yearbooks outlining plans for the year will be distributed soon.

Next regular meeting for the club will be February 5 at 7:30 p.m. in the lounge of the Fine Arts Building at West Texas State University. Mrs. Clyde Warwick, Canyon author, will present the program and all interested residents are invited to attend.

South Lawn Baptist Church Setting Of Hood-O'Dell Vows

Mrs. Hobart F. McManial, Jr.

South Lawn Baptist Church in Amarillo was the setting for the Saturday evening marriage of Miss Sheryl Juanice Hood and Billy Wayne O'Dell.

Rev. William G. O'Dell, father of the bridegroom and Baptist minister, and J. W. Read, pastor of Southlawn Baptist Church, officiated at the exchange of double ring marriage vows.

The bride is the daughter of Mr. and Mrs. Norman Kenneth Hood of Rt. 2, Amarillo. Parents of the bridegroom are Mr. and Mrs. William G. O'Dell of Arkansas City, Kansas.

Greenery covered an arch which was flanked by two seven branched candelabra with greenery and two baskets of white gladioli and mums. A single three branch candelabra completed the church decorations.

Soloist Miss Ginger Murdock of Atkins, Arkansas was accompanied by Mrs. James Read, organist, as she sang "Make Me An Instrument" and "The Greatest of These Is Love."

Candlelighters were Miss Nancy Turner of Lexa, Arkansas and Miss Diana Kirk of Morrilton, Arkansas.

The bride's sister, Miss Kenda Hood, served as maid of honor. Bridesmaids were Miss Kaelynn Webb of Amarillo, Miss Mary O'Dell, sister of the bridegroom, from Arkansas City, Kan. and Miss Mary Zies of Fort Smith, Arkansas.

The bridal attendants wore matching floorlength dresses with pink crepe bodices and wine colored crepe skirts with pink peau de soie sashes. Their headpieces were pink peau de soie bows and pink net and each carried an eight inch rose shaped candle surrounded with greenery.

Dale Williams of Arkansas City, Kansas was best man. Serving as groomsmen were Bob Thrift of San Antonio, Larry Bradford of Wichita, Kansas and David Fulton of Amarillo.

Ushering for the wedding were Franz Klutchcowski, Bill Norrell, Mike Jackson and Guy Whitney.

Escorted and given in marriage by her father, the bride wore a formal length gown of white crepe with heavy embossed lace, high cowl neckline and featuring long sleeves on the bodice. The embossed lace complemented the front bodice of the gown and was traced down the center panel of the chapel length train. She carried a colonial bouquet of roses and English ivy atop a white Bible and her wedding veil was attached to a headdress of beaded petals.

A reception in the church parlor honored the couple after the exchange of vows. The table decorations featured red roses and white pompoms on two candelabra. The wedding cake featured red roses. Serving were Debra O'Dell, Helen O'Dell, Elayne Read, Kathy Thrash and Nancy Davis was at the guest register.

For a wedding trip to points in Oklahoma and Kansas, the bride changed to a green and white knit dress with a corsage of small white roses.

After February 2, the couple will be at home in Arkadelphia, Arkansas.

A 1967 graduate of Canyon High School, the bride is a junior psychology and English major at Ouachita Baptist University where she is a member of the EEE social club and officer of the Association of Women Students.

The bridegroom graduated from Arkansas City, Kansas high school in 1966 and formerly attended Wichita State University. He is now a senior music major at Ouachita Baptist University and plays with the South Arkansas Symphony and Arkansas Symphony.

McGehee-McManigal Marriage Pledged

Miss Elizabeth Dixon McGehee became the bride of Hobart F. McManigal, Jr. in double ring ceremonies read Saturday evening in the First Baptist Church of Happy.

Rev. Irving Looney, pastor of the First Baptist Church in Happy, officiated at the exchange of marriage vows. Church decorations featured red roses with a cross of greenery in the background and two small candelabra bearing white tapers, greenery and red roses.

The bride is the daughter of Mrs. M. I. McGehee of Happy and parents of the bridegroom are Mr. and Mrs. Hobart F. McManigal, Sr., also of Happy.

For her wedding, the bride selected a formal gown of lace over satin with a fitted bodice, long sleeves and scooped neckline. Her full-length chapel train was of matching lace over satin and her elbow length veil of bridal illusion was held to a white rose. She carried a white gardenia bouquet as she was escorted and given in marriage by her brother, M. L. McGehee, II.

Her bridal attendants wore red velvet formal length gowns and carried white fur muffs and bouquets. Serving the bride were Mrs. M. L. McGehee, sister-in-law of the bride, from Canyon, Mrs. Warren Baker of Canyon and Miss Carolyn Looney of Happy.

Best man was Ed Wright of Canyon. Groomsmen were Dan Rahlfs and Bob Robinson, both of Canyon, and ushering were George Loudder and Ricky Harman, both of Canyon.

A reception honoring the couple was held in fellowship hall of the church after which the couple departed on a wedding trip to points in Colorado. The couple will establish their home at 2611 6th Avenue, Apartment 6, Canyon when they return from their trip.

Both are gruduates of Happy High School, and the bride received her degree in nursing from Northwest Texas Hospital School of Nursing in Amarillo. She is now employed at Neblett Memorial Hospital in Canyon as a registered nurse. The bridegroom graduated from West Texas State University and will begin graduate study at the university this spring semester.

HD Council Opens Year

First meeting of the year for the Randall County Home Demonstration Club was held Monday afternoon at the Farm Bureau Building with the Westside HD Club as hostess for the meeting.

The meeting was opened with two songs being sung and a reading by Margaret Tucek.

Mrs. Harry Widick, council chairman, was in charge of the business meeting as new council delegates were informed of their duties and the purpose of the council. Various committee reports were given and standing rules were read.

The date for the district THDA (Texas Home Demonstration Association) meeting was given. The district meeting will be held in Hereford April 16, 1970.

Mrs. Becky Hall, home demonstration agent, reported to the council concerning a fashion trends program to be April 1.

Mr. & Mrs. Robert Wesley Nunley

Miss Woodward Marries Nunley In California

Miss Belle Annette Woodward and Robert Wesley Nunley were married December 13, 1969 in Northminster Presbyterian Church in San Diego, California.

The bride is the daughter of Lt. and Mrs. Charles E. Woodward of San Diego and a senior at San Diego State College. She is a member of Gamma Phi Beta sorority.

The bridegroom is the son of Mr. and Mrs. W. O. Nunley (Buck and Katie) who also live in San Diego and are former residents of Canyon. The bridegroom will be remembered in Canyon as Bob and is the nephew of Mrs. Leola Dawdy and cousin to both Dick Dawdy and Mrs. Mary Ann Berry.

He is with the Military Police and stationed at Fort Knox, Kentucky. The couple are living in Elizabethtown, Kentucky.

Miss McIlroy Honored With Bridal Shower

Miss Sherran McIlroy, bride-elect of Dennis Haley, was honored with a bridal shower Monday evening at the Bill Davis home in Hunsley Hills.

Greeting guests with Mrs. Davis and the honoree were Mrs. Glenn Campbell, mother of the bride-elect, and Mrs. Arthur C. Haley, mother of the prospective bridegroom.

The couple is planning marriage vows for January 31 at St. Peters Episcopal Church in Amarillo.

Pale pink carnations and heather formed the floral centerpiece with pale pink tapers flanking. The bridal cloth accenting the bride-elect's chosen colors of shaded pink covered the table where serving pieces were antique cutglass.

Registering guests and pouring for the occasion were Linda and Sally Lampe, both of Amarillo.

Prior to the shower, the hostesses presented the honoree with four place settings of her chosen pattern in silver.

Assisting Mrs. Davis with hostess duties were Mesdames T. H. Lair, Terry Martin, O. W. Parker, Jr., W. W. Sternenberg, Lucien Upshaw and A. M. Warren.

DZ Philanthrophy Project Is Center

Delta Zeta alumnae of Canyon met with the alumnae chapter of Amarillo at the Speech and Hearing Center in Amarillo.

The national Delta Zeta philanthropic is working with deaf children in particular.

Mr. and Mrs. S. S. Stephens, who are in charge of the Amarillo school, presented a demonstration by one of the teachers, Gay Elza, who worked with 4-year-old Sheila Martyn. Until September Sheila had not received instruction in lip reading or speaking, and her progress was shown. The Center showed a film of a school in North Hampton, Massachusetts where the children were taught to speak, lip read and to live a normal child life.

Two girls from the active chapter on the campus of West Texas State University, Denice Cannon of Artesia, New Mexico and Mary An Ransom of Claude, are working at the center doing their clinical practice. Later they will begin their student teaching.

The Canyon Alumnae chapter made their annual philanthropic gift to the center in the form of a $60 check to be used for purchase of a hearing aid for a child whose parents are financially unable to do so.

Hostesses for the meeting were Mrs. Larry Cook and Mrs. Claiborn Crain. Other members attending were Mrs. John Green, Mrs. Fred Stoker, Mrs. Rose Kinzer, Mrs. W. E. Miller, Mrs. C. H. Clawson, Mrs. Alfred Bellah, Mrs. J. O. Parker and Miss Doan Lusk.

To Austin

Women's Rights Study For Two

Miss Ruth Cross and Mrs. Ples Harper of Canyon have been asked to attend a dinner meeting in Austin Friday which will be the beginning session of a Texas Governor's Commission on the Status of Women.

At Friday's dinner meeting Governor Preston Smith's advisors and Mrs. Margaret Brand Smith of Dallas, who has been appointed chairman of the commission will outline plans for reorganization of the commission. The first Texas Commission on the Status of Women was appointed by Governor John B. Connally and dissolved after making its study report.

Gov. Smith said he was hopeful the 62nd legislature would encourage the work of the commission by designating it as a permanent commission dealing with the role of women in helping to solve social, economic and governmental problems in today's society.

An interview with Mrs. Harper was printed in the Canyon Sunday News on her approach and thoughts concerning the commission. Today, Miss Cross gives her thoughts on the commission as she stated that "legally in the state of Texas, the status of women is less advantageous than in many other states.

Miss Cross, who retired about a year ago as dean of women at West Texas State University after about 20 years service, stated that in her work with the university she found that "a majority of the women don't want the administrative jobs."

"Generally speaking," said Miss Cross, "a woman is at a greater disadvantage than a man" explaining that this partially depends on how many children, what ages and how much help the wife has at home.

Aside from the working mother, Miss Cross related that "we need to consider the young women in school---many are homemakers---without enough time to get everything done and have a sense of completeness."

The two local women have found it a compliment to be invited to attend the commission about women's status and concluded that they will "know much more after the commission has met and outlined plans."

According to the governor's invitation letter the first meeting will be followed with a later session involving 2,000 concerned women.

Miss Taylor-Mills Wed In Bride's Home Here

Miss Cynthia Kay Taylor of Dallas and Thomas William Mills, Jr. of Austin were married Saturday evening in the home of the bride's parents, Mr. and Mrs. Jack Taylor, 417 Taylor Lane in Canyon.

The double ring marriage vows were read by Rev. Newton Starnes of the First United Methodist Church of Lamesa, formerly of Canyon.

Parents of the bridegroom are Mr. and Mrs. Thomas William Mills of Houston.

Miss Suzie Lee, organist, played "Ave Maria" by Schubert and "Wedding March" and a guitarist, Jarry McDonough, played "Greensleeves" and "Scarborough Fair."

Miss Shelley Elizabeth Taylor served as maid of honor and Mrs. Paul Rush Kasishke was matron of honor. They wore floor length gold lame' dresses with gold velvet Juliet caps.

James Macanliss of Houston was best man and Michael Graves, also of Houston, was the groomsman.

Given in marriage by her father, the bride wore a candlelight crepe dress with jewel encrusted bodice and had a headdress Juliet cap with pearls.

A reception honoring the couple was held in the home following the ceremony.

For a wedding trip to New Orleans, Louisiana, the bride changed to a white wool dress with red maxi-coat.

After February 1, the couple will be at home in 1616 Royalcrest in Austin, Texas.

The bride attended Stephens College and graduated from Southern Methodist University where she was president of Pi Beta Phi.

A graduate of Southern Methodist University, the bridegroom is presently attending the University of Texas Law School. He was president of Phi Delta Theta.

Mrs. Thomas William Mills, Jr.

Farm Journal Feature On Hales Home

The January 1970 issue of "Farm Journal" features a double page of color photos and information under the title "Yes, I painted my new kitchen cabinets" and is devoted to the work of Mrs. Richmond Hales of Canyon.

The article was written by Jean Gillies, home management equipment editor, for the magazine.

Mrs. Hales, whose home was featured in recent years on a University Study Club home tour, relates that "color in the kitchen can be as practical as beige." She applied her artist's touch to the family's new ranch home using avocado with an antique finish for her kitchen cabinets and then helped the painter do the job. She also uses a patterned wallcovering of vinyl to introduce a splash of orange to the kitchen where appliances are in coppertone.

The Hales home incorporates a number of unusual building ideas from seven years' collection of magazine clippings and ideas gathered from living both in town and in the country.

The Hales home is south of the city.

Benefit Bridge Games Today

Tickets are available locally for a benefit bridge party, sponsored by the Amarillo alumnae chapter of Zeta Tau Alpha, which will be held this afternoon, Thursday, with Mrs. Preston Smith, wife of Governor Preston Smith, in Amarillo as guest hostess for the occasion.

In addition to bridge games, a highlight of the event will be a presentation of Helen Rose's spring fashion collection from Sakowitz of Houston.

Preceding the fashion revue and bridge games will be a reception where the governor's wife will greet area women. Included in the receiving line at the benefit bridge day will be Mrs. Don Byars of Canyon, ZTA alumnae president.

The reception will begin at 12:30 noon at the Villa Inn in Amarillo. Bridge games are slated to follow from 2-4 p.m. Tickets for the affair are $2.50 and are available from either Mrs. Byars or Mrs. Bill Davis of Canyon. Tickets will also be available at the door. Notations should be made at ticket purchase on whether to reserve a position for the bridge games.

Proceeds from the event will benefit the Children's Cerebral Palsy Center in Amarillo, which this spring is planning to become a part of the medical complex in Amarillo. The enlargement and move will enable the center to become a center for all handicapped children with a capacity for 300. Presently the cerebral palsy center has a handicapped load of 87 children covering 22 Panhandle towns. The center handles physical therapy, special education and speech therapy. The proceeds from the bridge games will be especially used to furnish teaching tools, educational materials and small pieces of therapy equipment for the center.

CANYON ZETA TAU ALPHA alumnae officers, Mrs. Don Byars, right, and Mrs. Bill Davis, seated, check and arrange tickets which the local chapter has available for a benefit bridge party in Amarillo today. Tickets are selling at $2.50.

Wylie Hannahs Have Daughter

Mr. and Mrs. Wylie Hannah of Tulia announce the birth of a daughter who arrived at Swisher County Hospital in Tulia Saturday evening at 9:53 p.m.

The infant has been named Rhonda Jean and arrived on her mother's birthday, January 24, weighing 8 pounds 12 ounces.

The Hannahs have two older sons, Brian, 6, and Bruce, 4.

Grandparents are Mr. and Mrs. Earl E. Miller of Canyon and Mrs. and Mrs. Erskine Hannah of Vernon.

The Wylie Hannahs are former residents of Canyon. He is now employed as assistant manager with Circle R Food Market in Tulia.

Two Canyon men were in Amarillo Friday morning to attend a district crusade meeting for the American Cancer Society. They were Dr. Kenneth Waugh and Larry Hooper.
